HEALTH

Wheeler

Family Health
& Wellness Center

Bristol • Hartford • New Britain • Plainville • Waterbury
Mobile Family Health & Wellness Center • School-Based

Primary Care available for all ages, by a team of providers who focus on total health, giving you the information to make the best decisions for YOU.

Full Family Dental, including “no-drill” dentistry. (*Hartford only*)

Behavioral Health and Psychiatry Services for anxiety, anger, grief, child and adolescent issues, including Spravato® (esketamine) therapy and Transcranial Magnetic Stimulation treatments for depression.

Treatment for Addiction, including medications for substance use disorders for alcohol and opioid use, tobacco cessation, outpatient services, and recovery supports.

Women’s Health Services, including gynecological exams, pre- and post-natal care, birth control, STD testing, and more.

LGBTQIA-Responsive Services, including our Walk With Me specialized treatment track, gender-affirming hormone therapy for adults, and more.

Complementary Medicine, including chiropractic care, mindfulness, and Acudetox for addiction, and mental health treatment.

Community Health Workers who serve their local neighborhood and cities by connecting to services that improve health and wellness like doctors, SNAP benefits, and Medicaid.

Care Management and HIV and HEP C treatment helps individuals overcome barriers to care and improves health care linkages.

Nutrition Services help ensure wellness and reduce chronic disease.

RECOVERY

Mental Health Outpatient Services for children, families, and adults. Treats depression, anxiety, behavior problems, couples' difficulties, school and work difficulties, and severe mental illness.

Substance Use Disorder Outpatient Treatment provides individual and group interventions of varying intensity and duration, as well as medications for substance use disorders and peer recovery supports.

Specialized Behavioral Health Treatment Services for consumers with special needs, family violence, sexual abuse, anger management, problem gambling, and more.

Crisis Intervention sends teams into homes, schools, and other community settings to help individuals, including children, who are experiencing behavioral health emergencies.

Intensive Home-Based Services for children, adolescents, and families with psychiatric and substance use disorder diagnoses. These programs are based on nationally recognized, evidence-based treatment models.

Court-Mandated and Court Diversion Education Programs for individuals arrested for driving while under the influence; court-required parenting education for divorcing couples; and intervention and risk reduction programs for individuals who are pre-trial, on probation, or parole.

Connecticut Center for Prevention, Wellness, & Recovery is the state's most comprehensive resource for behavioral health information and a leading provider of professional training and development opportunities, prevention, and health promotion services statewide.

GROWTH

Foster Care Program provides 24-hour support to families and youth. Services are designed to meet the needs of children and youth and help them heal from abuse, neglect, trauma, and more.

Early Childhood Services like Child First™ and Parent Connections, provide a continuum of support that engages young children and their families in the vital first few years of life, ensuring children can learn and grow, promoting wellness and supporting developmental success.

Education Services. Northwest Village School supports students with social, emotional, behavioral, academic, and/or developmental challenges. Specialized programming and a transdisciplinary approach to health, speech and occupational therapy, and other services are offered.

Multidisciplinary Evaluation Services that foster collaborative relationships with schools, community providers, and families dealing with autism spectrum disorder and complex psychiatric, behavioral, cognitive, social, emotional, and/or educational situations.

24-Hour, Homelike Congregate Care in the community provides a home-like setting for adolescents who cannot live with their own families but need 24-hour supervision and more structured settings.

Prevention and Education Programs to reduce substance use disorder, violence, bullying, and child abuse, which promotes child development, wellness, successful parenting, and positive youth development.

Employee Assistance Program (EAP) serves employers who contract with Wheeler by providing behavioral health services to employees and their family members, and training and consultative services to managers and supervisors to address workforce issues.

Our Mission

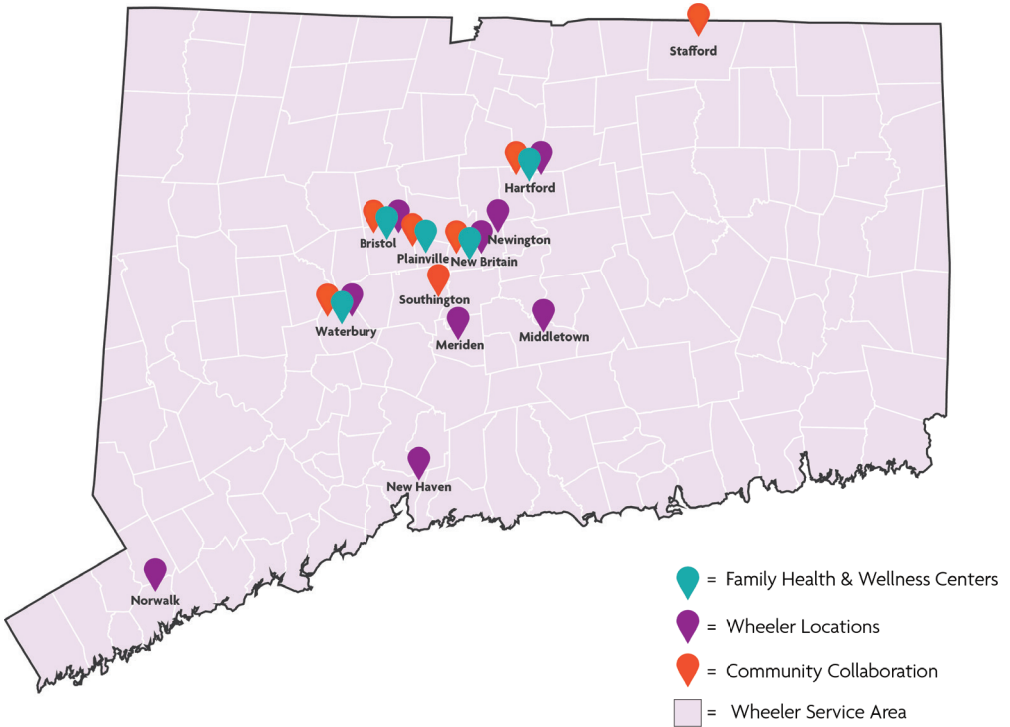

Wheeler provides equitable access to innovative care that improves health, recovery, and growth at all stages of life.

Our Vision

All people will have the opportunity to grow, change, and live healthier, productive lives.
