Wheeler Health is moving its headquarters to downtown Bristol in 2023 and combining both of our existing health centers at One Hope Street, in Centre Square.

Through our health centers, residents of Bristol and surrounding towns have access to truly integrated primary and behavioral health care, for all ages. In every Bristol school, at our centers, and for more than 50 years, Wheeler has served the community's most pressing health needs.

By sponsoring a named brick at One Hope Street, you're helping to promote the power of recovery and hope in everyone we serve. All proceeds will go toward our Campaign for Bristol, which will help to fund construction and services at One Hope Street.
