

Adult Outpatient Services

LIFE'S MOST CHALLENGING SITUATIONS SHOULDN'T BE FACED ALONE. WE'RE HERE TO HELP.

We offer an array of outpatient programs for adults and families that include individual, group and family therapy to address problems associated with substance abuse, depression, anxiety, anger management, domestic violence, grief and loss, and other mental health issues. Our staff includes a broad range of professionals: licensed addiction counselors, clinical social workers, marriage and family therapists, psychiatrists and other treatment specialists.

OUR APPROACH:

- Wheeler employs gender-specific, trauma-informed, person-centered approaches to care and evidence-based practices, including cognitive behavioral and motivational enhancement approaches and strategies for addressing specific needs

OUR PROGRAMS:

- **Adult Outpatient Recovery Services** - individual, group and family therapy to address problems associated with substance abuse, depression, anxiety, anger management, domestic violence, grief and loss, and other mental health issues
- **Medication-Assisted Recovery for opioid and alcohol addiction** - Wheeler's Center of Excellence in Addiction provides effective, accessible and comprehensive treatment plans, which can include extended-release injectable Naltrexone (Vivitrol®) and Buprenorphine (Suboxone®).
- **Bettor Choice Gambling Treatment Program** - an outpatient program that serves problem gamblers and those affected by the gambling problem of a loved one.
- **Older Adults Substance Abuse Recovery Program** - offers counseling and other services for people 60 and older in a group setting.
- **Transitional Case Management** - helps men with substance abuse issues transition back to the community following a period of incarceration.
